WITH FIVA I/D

2.3 The Organizing Committee reserves the right to subdivide any category into two or more classes or to combine two or more of the above categories with the provision that the vehicles will compete at the speed relating to their category.

2.4 All vehicles entered in the event will be examined by scrutineers appointed by the Organizing Committee. Vehicles will be examined before the start of the event and may be examined at any stage during the event as deemed appropriate by the Organizing Committee. The emphasis of the examination will be directed towards safety and roadworthiness. The examination may also include appearance and authenticity.

BASIC REGULATIONS LESPA_FIPA

3 ENTRIES:

3.1 Anyone wishing to participate in the Historic Car Rallies, should send a duly completed entry form, up to 5 days before the event to the following address:

LESPA-FIPA:

Bridge House, Byron Ave, 1st Fl.33 1096 Nicosia.

Mailing Address:

4 CREWS:

4.1 Each crew must consist of a minimum of two persons:

- **Driver:** Must be in possession of a valid driving license for the vehicle to be driven during the event and must strictly observe the traffic laws of Cyprus.
- **Co-driver (navigator):** If in possession of a valid driving license, for the vehicle to be driven during the event, he may drive the vehicle and should strictly observe the traffic laws of Cyprus. In addition to Driver and Co-driver (navigator), other persons referred to as "additional crew members" may be on board the vehicle. These additional crew members may drive the vehicle provided that they are in possession of a valid driving license, will strictly observe the traffic laws of Cyprus and their intention to drive the vehicle during the event should be declared in the entry form by giving their driving license number.

4.2 During the event's, route both driver and co-driver as described in the logbook under penalty of exclusion, should be on board the vehicle except if otherwise allowed by the present regulations or a bulletin.

4.3 If for any reason someone else apart from the crew drives the vehicle for any part of the event, the said vehicle is excluded from the event.

BASIC REGULATIONS LESPA_FIPA

4.4 Additional passengers are allowed during the event or part of it provided that the vehicle has suitable seating and that the Organizing Committee has been notified accordingly. The additional passengers under penalty of exclusion are not allowed to drive the vehicle. By the very fact of signing the entry form all crewmembers are ipso facto deemed to have unreservedly accepted these regulations.

4.5 The Organizing Committee reserves the right to amend these regulations or to postpone or cancel the event, or part of it, for reasons of “force majeure” or safety.

Article:

5. COMPETITION NUMBERS AND PLATES

5.1 The Organizing Committee shall supply each crew with 2 (two) plates bearing the competition number and the name of the event.

5.2 The plates must be securely fixed to the front and rear of the vehicle in clearly visible positions and must be carried throughout the duration of the event. The plates must under no circumstances cover, even partially, the car's licence plates.

5.3 The Organizing Committee shall also provide side numbers. The competition numbers must be securely fixed to each side of the vehicle throughout the duration of the event. Competition numbers must be placed in such a position so as they can easily be identified by the Timekeepers and Marshals even from a distance. Their colour must provide substantial contrast to the background onto which they are affixed. If they are affixed to a window, a special background must be used to ease their readability. Vehicles that do not conform to the above will not be able to start or continue the event.

5.4 The absence or loss of any of the plates and/or competition numbers, imposes a penalty of 20 (twenty) points each. Should a competition number be lost, it must be replaced before the vehicle is allowed to continue.

Article:

6. ITINERARY- RESTRICTIONS- AVERAGE SPEED

6.1 The exact starting time for each vehicle, the exact location of the Start and Finish of the event, as well as the itinerary, the distance between Control Points and Ideal Times for each category will all be announced in a Special Bulletin.

6.2 The itinerary is obligatory and any wilful deviation from it, verified by an Official, will entail disqualification from the event.

6.3 The starting time is obligatory. A competitor who presents himself late at the start will incur a penalty. For 10 (ten) to 30 (thirty) minute's lateness the penalty will be 10 points for each minute. For more than 30 (thirty) minutes the penalty will be exclusion from the event.

BASIC REGULATIONS LESPA_FIPA

6.4 Under penalty of exclusion the following are not allowed:

- 6.4.1 The use of mechanical, electric or electronic aids for measuring or computing distance and average speeds and timing in vehicles not so equipped in their period **connected** or not connected or affected by any other equipment. **The use of any equipment replacing manual chronometers, calculators and hard copy of timing lists is strictly forbidden.** Any mobile telephones must be turned off and packed out of sight.
- 6.4.2 The use, as an aid in the event of electric or electronic equipment for internal or external communications, including interphones, mobile telephones and wirelesses.
- 6.4.3 The use at any time of any signalling device to indicate or receive advice of the position of a control (GPS).
- 6.4.4 Having the competing vehicle towed or carried over any part of the route unless authorized by the Organizing Committee.
- 6.4.5 Being accompanied by a tender vehicle, or using outside help.
- 6.4.6 Carrying any unauthorized passengers other than officials and/or stranded competitors.
- 6.4.7 Being unfit by reason of consumption of alcohol or drugs.
Any conduct or behaviour likely to offend any other road users or to prejudice the interests of historic motoring.
- 6.4.8 Any second infringement of the Highway Code verified by the Police and reported to the Organizing Committee.

6.5 In principle, average speeds per category are the following:

- Category B 30 km/hr
- Category C 36 km/hr
- Category D 40 km/hr
- Category E 45 km/hr
- Category F 50 km/hr
- Category G 50 km/hr
- Category H 50 km/hr

7. TIME CONTROL POINTS PASSAGE CONTROLS

7.1 Time Control Points (TC) and Passage Controls (PC) will be situated along the route and will be indicated by signboards. At a distance of 25-100 meters before each TC or PC, there will be a warning board. Each TC will start operating 30 (thirty) minutes before the scheduled time of arrival of the first vehicle.

7.2 Competitors arriving at each TC must present their logbook to the officials in charge for signature and stamping. The official will note the exact time of arrival of the vehicle and will hand the logbook back to the competitor. The act of handing back the logbook to the competitor is considered as the starting signal for the next section of the event.

7.3 Competitors must present themselves at each TC at the exact minute, which results from adding the time allowed for that section to the time of arrival of the previous TC or the Start of the event (for the first TC).

Example: A vehicle starts the event at 15:10 hrs. The time allowed covering the distance between the start and the first time control point is 65 minutes. The vehicle should arrive at the first TC at 16:15 hrs.

The official can only note the arrival time of a vehicle at a TC in the vehicle's logbook if the entire crew is on board the vehicle.

7.4 Any delay in arriving at a TC will entail a penalty of 10 (ten) points for each whole minute. A total lateness of more than 30 minutes in each leg will entail a penalty of exclusion from the event.

- The crew will not incur any penalty for checking in before time if the vehicle enters the control zone during the target check-in minute or the minute preceding it.
- The crew will not incur any penalty for lateness if the act of handing the card to the post Marshal takes place during the target check-in minute.
- **Example:** A crew that is supposed to check in at a control at 18:58 hrs shall be considered on time, if the check-in takes place between 18:58:00 and 18:58:59 hrs. Any difference between the actual and the target check-in time shall be penalized as follows:

- a) 10 (ten) points per minute or fraction of a minute for late arrival.
- b) 10 (ten) points per minute or fraction of a minute for early arrival.

- At regroupings and ends of a Leg or at the end of the event, arrival of 15 minutes earlier at the maximum, is any penalty-free.
- If a competitor arrives early at a TC and does not wish to present himself to the official in charge, he must park his vehicle outside the 25-100 meter warning board of the TC.

BASIC REGULATIONS LESPA_FIPA

- At Passage Controls the same procedure of signing and stamping the vehicle logbook will be followed, but will be no set time for arrival or start at the PC.
- At the control areas competitors must adhere to the instructions of the Officials. Parking a vehicle in a TC area contrary to the instructions of the Official in charge or to the regulations, will incur a penalty of 20 (twenty) points.
- Failure to present the logbook for signing and stamping or non-appearance of a competing vehicle will entail a penalty of 400 points for a TC, and 150 points for a PC.

8. SPECIAL REGULARITY TESTS-OTHER TESTS

8.1 The Special Regularity Tests (SRT) will take place between two points along the route of the Rally and aim in establishing the speed of the vehicles between these points. A Special Bulletin will announce them. The two points (the start and the finish of each of the SRTs) will be indicated by signboards. A missing signboard does not constitute a reason for the cancellation of the SRT, as the exact location of the start and finish of the test is well defined through additional details in the Road Book and the Special Bulletin on the SRTs.

8.2 Each vehicle will be timed down to the hundredth of a second (1/100) by the Secret Time Control(s) within the SRT, which should be exactly equal to the average speed set for the test. According to the average speed set for the SRT for each category, each vehicle should pass by the Secret Time Control(s) at certain time. Any advance or delay from this time will be calculated in seconds and there will be a penalty of one (1) point for each second deviation from the set time.

8.3 In principle the following average speeds per category will be set for the SRTs, but the Organizing Committee reserves the right to set lower speeds or to alter them:

Category B	30 km/hr
Category C	36 km/hr
Category D	40 km/hr
Category E	45 km/hr
Category F	50 km/hr
Category G	50 km/hr
Category H.....	50 km/hr

Example: A vehicle of category B passes by the Start of the SRT at 15:10:26 hrs. The average speed set for category B for this SRT is 30 km/hr. The first Secret Time Control of the SRT is situated exactly at a distance of 1 km from the start of the SRT. So the vehicle should pass by the first Secret Time Control exactly two minutes after the time it passed by the start of the SRT. The vehicle was timed passing by the first Secret Time Control at 15:12:18 hrs. We, therefore, have the vehicle passing by the first Secret Time Control eight (8) seconds earlier than the set time, which will entail a penalty of eight (8) points.

8.4 Failure to participate in or to complete a Special Regularity Test will entail a penalty equal to the penalty points awarded to the lowest placed competitor increased by 100%.

BASIC REGULATIONS LESPA_FIPA

During the event there will possibly be a number of other tests to tax the ability of the crews. The nature of these tests, the procedure to be followed and the penalty points will be announced in a Special Supplement of these Regulations.

8.5 Meeting an official speed limit sign within Regularity Test section means, that a new speed, the one inscribed on the sign must thereafter be kept but only if this is lower than the one initially appointed. The initial speed shall return into valid only if the speed limit is clearly withdrawn. (Example: a) Entry in the regularity test with the speed of the written instructions for example 42 km/h, b) meeting of a 30 km/h maximum speed limit official state sign: At this point previously given average test speed is readjusted to 30 km/h, c) meeting of a second speed limit sign this time of a 50 km/h maximum speed: at this point the average test speed readjusts to the initial regularity test speed of 42 km/h.)

9. RESTORATION CONTEST

9.1 Immediately upon the arrival of the participating vehicles at the Finish, a "Restoration Contest" will take place. During this contest a Special Committee appointed by the Organizing Committee will judge the perfection of restoration, the purity of line and the rarity of the model of each vehicle and a cup will be awarded to the winner. The decision of the Special Committee is final. No protests will be accepted. Eligibility for the Restoration Contest is limited to those who make the necessary application on the date of the documentation, accompanied by the relevant documents.

10. CLASSIFICATION – AWARDS

10.1 General Classification Award

After the finish of the event all penalty points will be added for each vehicle.

- The competitor with the lowest number of penalty points will be declared First in the General Classification.
- The competitor with the lowest number of penalty points will be Second in the General Classification.
- The competitor with the third lowest number of penalty points will be Third in the General Classification.

10.2 Awards:

All competitors starting the event are eligible for this award.

10.2.1 Category Award

A crew winning an overall award is not eligible for a category award.

The First Winner of a category will be declared if 3 (three) or more vehicles of the category start the event. The Second Winner of a category will be declared if 3 (three) or more vehicles of the category start the event. The classification within each category will be calculated in the same manner as in the General Classification Award.

All competitors starting the event are eligible for this award.

BASIC REGULATIONS LESPA_FIPA

10.2.2 Ladies Cup

The Ladies Cup will be awarded to the “all female crew” with lowest number of penalty points, if at least 3 “all female crews start the event”. Female crew is considered where the driver and co-driver are female.

10.2.3 Three Vehicle Team Award

Competitors wishing to participate for this award must submit their team entry by the time of scrutineering. The entry fee for this award is noted in paragraph 4.4 above. The Organizing Committee reserves the right to cancel this award if less than three teams start the event. Winner of this award will be the team with the lowest number of penalty points, when the penalty points of all three members of the team are added together. If a member of a team is withdrawn, excluded or retired from the event, or is not included in the list of finishers then his team is not eligible for this award.

10.2.4 Cypriot Crew Award (Only for the international event)

The winner of the award will be the all-Cypriot crew with the lowest number of penalty points. All Cypriot crews finishing the event are eligible for this award.

10.2.5 Non-Cypriot Crew Award (Only for the international event)

The winner of the award will be the non-Cypriot crew with the lowest number of penalty points. All non-Cypriot crews finishing the event are eligible for this award.

10.2.6 Oldest Vehicle Award

The winner of the award will be the oldest vehicle finishing the event.

10.2.7 Best Greek Crew Award (Only for the international event)

The winner of the award will be the Best Greek Crew with the lowest number of penalty points finishing the event.

10.2.8 Smallest Engine Capacity Award

The winner of the award will be the vehicle with the smallest engine capacity finishing the event.

10.2.9 Biggest Engine Capacity Award

The winner of the award will be the vehicle with the biggest engine capacity finishing the event.

10.2.10 Start Award

Will be given to all crew members starting the event.

11.1 Protests

Protests must be submitted in writing not later than 30 (thirty) minutes after the announcement of the Provisional Results, addressed to the Clerk of the Course and must be accompanied by a fee of €100,00 (one hundred euro).

Should the protest be successful, the protest fee will be refunded.

11.2 Appeals

BASIC REGULATIONS LESPA_FIPA

11.2.1 Should the complainant still not be satisfied he has the right, at no extra fee, to appeal to the FIVA Steward, whose verdict is final.

11.2.2 Should the protest be successful the protest fees will be refunded.

Article:
